EirGrid plc (EirGrid) in its capacity as System Operator is required by the ORESS Tonn Nua Terms and Conditions to publish the ORESS Tonn Nua Timetable (“Timetable”). This publication discharges that obligation. This timetable assumes all regulatory approvals are completed prior to the Qualification Information Pack publication on the 24th of June 2025. Some parameters in the Grid Connection Information (GCI) pack are still under review by the Commissioner for Regulation of Utilities. Should the approval process take longer than currently planned, the QIP publication date may be subject to change. Prior to taking business decisions, interested parties should not rely on the information set out in this Timetable as a substitute for obtaining separate and independent advice in relation to the matters covered by this Timetable. Information in this document does not amount to a recommendation or advice in respect of any possible investment. The use of information contained within this Timetable for any form of decision making is done at the user’s own risk. This Timetable should be read in conjunction with the ORESS Tonn Nua Terms and Conditions including any amendments to these rules. Additionally, the Maximum Offer Price Considered (MOPC) will be published by DECC in advance of the ORESS Tonn Nua Final Application Withdrawal Date. Whilst every effort is made to provide information that is useful and care has been taken in the preparation of the information, EirGrid gives no warranties or representations, expressed or implied, of any kind, with respect to the contents of this Timetable, including without limitation, its quality, accuracy, and completeness. EirGrid and its respective advisers, consultants and other contributors to this Timetable (or respective associated companies, businesses, partners, directors, officers or employees) hereby exclude to the fullest extent permitted by law, all and any liability for any errors, omissions, defects or misrepresentations in the information contained in this Timetable, or for any loss or damage suffered by persons who use or rely on such information (including by reason of negligence, negligent misstatement or otherwise).
