*Please note that the 'assumed nodes' have been assigned based on Gate 3 Nodal Assignment Rules and are for guidance purposes only. They are subject to change once studies commence.

** Please note that 'Offer Dates' are a reasonable estimate and to be used for guidance purposes only. These offers have been scheduled in line with the approach agreed at the Generator Connections Liaison Group. Offer dates remain subject to review and may change after studies commence and the complexity of the node is confirmed. Some nodes contain applicants that have raised Section 34 disputes. These nodes have a higher risk of change.
