

- ### Legend
- Proposed Study Area
 - City
 - Town
 - County Boundary
 - Motorway
 - National Roads
 - Regional Road
 - River
 - Lakes
 - Substation Site Locations

- ### Route Corridor Options
- B1: Bellacorick Route Corridor Options i.e. B1
 - C1: Cashla Route Corridor Options i.e. C1
 - F1: Flagford Route Corridor Options i.e. F1

- ### Designated Sites
- Special Area of Conservation
 - Special Protection Areas
 - Natural Heritage Areas/ Proposed Natural Heritage Areas
- ### Features of ecological significance
- Fen
 - iWeBS Site
 - Potential Turlough
 - Turlough
 - Coastal Lagoon
 - Limestone Pavement
 - Semi-natural Grassland
 - Woodlands
 - Intact Raised Bog
 - Raised Bog (un-surveyed)
 - Wetland
 - Salt Marsh
 - Blanket Bog
 - Wet Heath
- ### Fresh Water Pearl Mussel Catchment
- Catchments of SAC populations listed in S.I. 296 of 2009
 - Catchments of other extant populations
 - Catchments with pre-1970 live records

- ### Landscape
- Cycle Routes
 - Scenic Routes
 - Walking Routes
 - Lake Shorelines
 - Intact Historic Designed Landscapes
 - Historic Designed Landscapes- Main Features Substantially Present
 - Ballycrocy National Park
 - Candidate Wilderness Area
 - Galway Area of Unique sensitivity
 - Galway Coastline
 - Galway Focal Points and View
 - Galway Outstanding Landscape Value Area
 - Leitrim Areas of Outstanding Natural Beauty
 - Leitrim Outstanding Views and Prospects
 - Leitrim Major Public Amenity Areas
 - Leitrim Areas of High Visual Amenity
 - Mayo Protected Views
 - Mayo Highly Scenic View
 - Mayo Scenic Views
 - Mayo Scenic Viewing Point
 - Mayo Vulnerable Features (Coastlines, River Banks, Lakes, Shorelines)
 - Mayo Vulnerable Features (Ridges)
 - Mayo Vulnerable Features - Water Bodies
 - Roscommon Places of Interest and Visitor Attraction
 - Roscommon Scenic Points
 - Roscommon Driving Routes
 - Roscommon Areas of Exceptional Landscape Value
 - Sligo Visually Vulnerable Areas
 - Sligo Sensitive Rural Landscape
