**Re: MPID 221 Intra Day Trading**

Dear Arlene,

I refer to your correspondence to CER of 27<sup>th</sup> June, 2012 seeking approval of Grid Code modification MPID 221, as recommended at Grid Code Review Panel meeting number 30 on 23<sup>rd</sup> February, 2012 and subsequent to EirGrid's consultation on the matter.

The CER is satisfied that EirGrid has recommended this modification for approval by the CER in accordance with the relevant provisions set out in the Grid Code for the handling of revisions and that the views of stakeholders have been adequately considered. It is also noted that an additional public consultation process was carried out to which there were no responses received.

Having considered the modification and its supporting documentation the CER approves this modification and directs EirGrid to revise the Grid Code which shall be deemed to be amended accordingly from the date of this letter.

Yours sincerely,

Paul Brandon  
Manager, Electricity Transmission

cc. Brian Mulhern, Utility Regulator
