Re: MPID 215 Fault Ride-Through Recommended Modifications

Dear Arlene,

I refer to your correspondence to CER of 1st September, 2011 seeking approval of Grid Code modification MPID 215, as recommended at Grid Code Review Panel meeting number 28 on 8th June, 2011.

The CER is satisfied that EirGrid has recommended this modification for approval by the CER in accordance with the relevant provisions set out in the Grid Code for the handling of revisions and that the views of stakeholders have been adequately considered.

Having considered the modification and its supporting documentation the CER approves this modification and directs EirGrid to revise the Grid Code which shall be deemed to be amended accordingly from the date of this letter.

Yours sincerely,

Paul Brandon
Manager
Electricity Transmission
Commission for Energy Regulation
