Re: Failure to Follow Notice to Synchronise – MPID 223

Dear Arlene,

I refer to your correspondence to CER of 21st January 2015 seeking approval of Grid Code modification MPID 223, as conditionally recommended at Grid Code Review Panel meeting number 40 on 12th November, 2014.

The CER is satisfied that EirGrid has recommended this modification for approval by the CER in accordance with the relevant provisions set out in the Grid Code for the handling of revisions and that the views of stakeholders have been adequately considered and addressed.

Having considered the modification and its supporting documentation the CER approves this modification, subject to a review in 24 months, to be submitted to the CER, in relation to the impact on the cost to consumers, as a result of implementation of MPID 223. The CER directs EirGrid to revise the Grid Code which shall be deemed to be amended accordingly from the latter of the date of this letter.

Yours sincerely,

Robert O'Rourke

Manager, Electricity Networks

Re: WFPS Signal Lists – MPID 250

Dear Arlene,

I refer to your correspondence to CER of 13th April 2015 seeking approval of Grid Code modification MPID 250, as recommended at Grid Code Review Panel meeting number 39 on 11th June, 2014.

The CER is satisfied that EirGrid has recommended this modification for approval by the CER in accordance with the relevant provisions set out in the Grid Code for the handling of revisions and that the views of stakeholders have been adequately considered and addressed.

Having considered the modification and its supporting documentation the CER approves this modification and directs EirGrid to revise the Grid Code which shall be deemed to be amended accordingly from the latter of the date of this letter.

Yours sincerely,

Robert O'Rourke

Re: POR Definition – MPID 252

Dear Arlene,

I refer to your correspondence to CER of 17th June 2015 seeking approval of Grid Code modification MPID 252, as recommended at Grid Code Review Panel meeting number 42 on 13th May, 2015.

The CER is satisfied that EirGrid has recommended this modification for approval by the CER in accordance with the relevant provisions set out in the Grid Code for the handling of revisions and that the views of stakeholders have been adequately considered and addressed.

Having considered the modification and its supporting documentation the CER approves this modification and directs EirGrid to revise the Grid Code which shall be deemed to be amended accordingly from the latter of the date of this letter.

Yours sincerely,

Robert O'Rourke

Re: DSU Performance Monitoring – MPID 257

Dear Arlene,

I refer to your correspondence to CER of 21st January 2015 seeking approval of Grid Code modification MPID 257, as conditionally recommended at Grid Code Review Panel meeting number 40 on 12th November, 2014.

The CER is satisfied that EirGrid has recommended this modification for approval by the CER in accordance with the relevant provisions set out in the Grid Code for the handling of revisions and that the views of stakeholders have been adequately considered and addressed.

Having considered the modification and its supporting documentation the CER approves this modification, subject to a review in 18 months by the TSO of the accuracy, appropriateness, and susceptibility to gaming of the performance monitoring methodology, as a result of the implementation of MPID 257. The TSO shall submit a report to the CER on the results of this review. Accordingly the CER directs EirGrid to revise the Grid Code which shall be deemed to be amended accordingly from the latter of the date of this letter.

Yours sincerely,

Robert O'Rourke
