Title of Modification Proposal:

MPID 294 Align the Grid Code to the GCRP Constitution

MPID (EirGrid Use Only): MPID 294

Date:	14 October 2021
Company Name:	EirGrid
Applicant Name:	Arlene Chawke
Email Address:	Arlene.chawke@eirgrid.com
Grid Code Version:	9
Grid Code Section(s) Impacted by Modification Proposal:	GC.5.1 GC.6.1(b) GC.7.1

Modification Proposal Justification:

As per clause GC.5.2 the GCRP is governed by a constitution as approved by the CRU. The TSO propose making changes to the Ireland GCRP constitution. The proposed changes are being presented to the GCRP members before being issued to the CRU for their approval. Please see document entitled 'Constitution And Rules GCRP Amendments Update 02Nov2021.docx'.

In conjunction with the changes to the constitution the TSO are proposing some minor changes to the Grid Code in order to ensure the requirements are aligned with the requirements of the constitution.

We propose the following modifications:

- a. Changing the term 'amendment' to 'modification' because it is in keeping with the language used when we discuss proposed and approved modifications to the Grid Code.
- b. GC.7.1 is not aligned with the Ireland GCRP constitution and with what we do in practice. We propose including the reference to Business Days in relation to the ten days' notice given to the CRU and to members for any proposed modifications. The requirement to exclude the day the notice is issued, and the day of the meeting is also included in the constitution.
