**Re: Approval of the Grid Code Modification Recommendation MPID 305**

Dear Miriam,

I refer to your correspondence to CRU of 26 October 2023 seeking approval of Grid Code modification MPID 305, as recommended at a Grid Code Review Panel meeting on 27 September 2023.

The CRU is satisfied that EirGrid has recommended this modification for approval by the CRU in accordance with the relevant provisions set out in the Grid Code for the handling of revisions and that the views of stakeholders have been adequately considered and addressed.

Having considered the recommendation and its supporting documentation the CRU approves the proposed modification. The CRU is satisfied that the recommendation is reasonable.

The CRU now directs EirGrid to revise the Grid Code to take account of the approved modification. The Grid Code shall be deemed to be amended accordingly from the date of this letter.

Yours sincerely,
