Re: Approval of the Grid Modification Recommendation MPID 319

Dear Miriam,

I refer to correspondence from EirGrid to the CRU on the 25th of August 2025 seeking approval of Grid Code modification MPID 319, as recommended at the Grid Code Review Panel meeting on the 26th of June 2025.

The CRU is satisfied that EirGrid has recommended this modification for approval by the CRU in accordance with the relevant provisions set out in the Grid Code for the handling of revisions and that the views of stakeholders have been adequately considered and addressed.

Having considered the recommendation and its supporting documentation, the CRU approves the proposed modification.

The modification includes proposed changes to Grid Code sections under common governance, and the CRU has engaged with the Utility Regulator on their corresponding modification.

The CRU now directs EirGrid to revise the Grid Code to take account of the approved modification. The Grid Code shall be deemed to be amended accordingly from the date of this letter.

Yours Sincerely,

Sent by email and accordingly bears no signature
