

**Grid Code
Modification
Recommendation Form**

Title of Recommended Proposal:

**Correction of reference in “Indicative Operations Schedule”
definition**

MPID : 321

Date:	20/08/2024
Recommended at GCRP Meeting No.:	20/03/2024
Grid Code Version:	13
Grid Code Section(s) Impacted by Recommended Proposal:	Definitions, SDC1.4.8.1, SDC1.4.7.1

The Reason for the Recommended Modification:

The definition of “Indicative Operations Schedule” refers to an incorrect clause. The purpose of this modification is to correct this reference. This definition currently refers to “SDC1.4.8.1” which does not exist within the EirGrid Grid Code. The reference should be to section “SDC1.4.7.1”.

History of Progression through GCRPs, Working Group and/or Consultation:

This modification proposal was brought to the GCRP for the first time on 20th March 2024. No questions were asked, and all members agreed to submit this proposed recommendation to the CRU for their approval.

**Summary Note of any Objections to the Recommended Change from GCRP Members or Consultation
Responses:**

No objections were received.

Outcome of any GCRP Meeting Actions Relating to the Recommended Modification:

No actions were requested.
