**Re: Approval of the Grid Code Modification Recommendation MPID 336
(Housekeeping Modification Process)**

Dear Miriam,

I refer to your correspondence to CRU of 12 August 2025 seeking approval of Grid Code modification MPID 336, as recommended during the Grid Code Review Panel meeting on 26 June 2025.

The CRU is satisfied that EirGrid has recommended this modification for approval by the CRU in accordance with the relevant provisions set out in the Grid Code for the handling of revisions and that the views of stakeholders have been adequately considered and addressed.

Having considered the recommendation and its supporting documentation, the CRU is satisfied that the recommendation is reasonable and accordingly approves the proposed modification.

The CRU now directs EirGrid to revise the Grid Code to take account of the approved modification. The Grid Code shall be deemed to be amended from the date of this letter.

Yours sincerely,

Sent by email and accordingly bears no signature
