

Grid Code Version 14.3

GC.7 GRID CODE REVISIONS

GC.7.1 All revisions to the **Grid Code** must be reviewed by the **Grid Code Review Panel** or the **Joint Grid Code Review Panel** (where relevant) prior to application to the CRU by the **TSO**. Where the **TSO** identifies or receives a proposed revision that affects a **Section Under Common Governance**, it shall bring it to the attention of the **Other TSO**.

All proposed revisions from **Users**, the CRU, or the **TSO that are not considered Housekeeping Modifications** will be brought before the **Grid Code Review Panel** or the **Joint Grid Code Review Panel** (where relevant) by the **TSO** for consideration. In the event that the **TSO**, acting reasonably, considers that proposed revisions are frivolous or repeated, the **TSO** may propose to the **Grid Code Review Panel** or the **Joint Grid Code Review Panel** (where relevant) that these proposed revisions are not to be considered. However, in the event that any member of the **Grid Code Review Panel** or the **Joint Grid Code Review Panel** (where relevant) decides that the revision is worthwhile, it shall be reviewed. The **TSO** shall then inform the proposer of the decision, with an accompanying explanation if required. If the proposing **User** is not satisfied with the response from the **TSO**, they can bring it to the attention of the CRU.

The **TSO** will advise the **Grid Code Review Panel** or the **Joint Grid Code Review Panel** (where relevant), all **Users**, and the CRU of all proposed revisions to the **Grid Code that are not considered Housekeeping Modifications** with notice of no less than 10 **Business Days** (excluding the day of issue and the day of the meeting) in advance of the next scheduled meeting of the **Grid Code Review Panel** or the **Joint Grid Code Review Panel** (where relevant).

Proposed revisions from **Users**, the CRU or the **TSO** that are considered **Housekeeping Modifications** will be published to the **TSO's** website, and **Grid Code Review Panel** members will be notified by the **TSO In Writing** that the proposed **Housekeeping Modifications** are ready for review. **GCRP** members will have at least 10 **Business Days** to complete their review and issue feedback to the **TSO** before the **TSO** submits the proposed **Housekeeping Modifications** to the CRU for decision.

- GC.7.2 Following review of a proposed revision by the **Grid Code Review Panel members** or the **Joint Grid Code Review Panel** (where relevant), the **TSO** will apply to the CRU for revision of the **Grid Code** based on the **TSO** recommendation and shall make representation of all other views or considerations including those of the **Grid Code Review Panel** or the **Joint Grid Code Review Panel** (where relevant). The **TSO**, in applying to the CRU, shall also notify each **User** of the proposed revision and other views expressed by the **Grid Code Review Panel** or the **Joint Grid Code Review Panel** (where relevant) and **Users** so that each **User** may consider making representations directly to the CRU regarding the proposed revision.
- GC.7.3 The CRU shall consider the proposed revision, other views, and any further representations and shall determine whether the proposed revision should be made and, if so, whether in the form proposed or in an amended form. Where amendments to the revision are contemplated by the CRU, the CRU shall consult the **Grid Code Review Panel** or the **Joint Grid Code Review Panel** (where relevant), the **TSO**, and **Users** as appropriate. Determination on a modification to a **Section Under Common Governance** shall be made by the CRU in accordance with its procedure that is in place to approve modifications to **Sections Under Common Governance**.
- GC.7.4 Having been so directed by the CRU that the applied for revision or amended revision shall be made, ~~the TSO shall notify each User of the revision at least 14 Business Days prior to the revision taking effect, and~~ the revision shall take effect (and this **Grid Code** shall be deemed to be amended accordingly) from (and including) the date specified in such notification or other such date as directed by the CRU. The date may be modified to ensure that the revision is implemented simultaneously in both jurisdictions on the island of Ireland.

Definitions

Housekeeping Modification	<p>Grid Code revisions aimed at making the Grid Code as accessible as possible by providing that the form of each clause is well-structured and conveys the correct meaning.</p> <p>Such revisions to the Grid Code do not add or remove a requirement from any User of the Grid Code, and do not make any material change or impact to the existing compliance of any User under the Grid Code.</p>
