**Re: Approval of the Grid Modification Recommendation MPID 341**

Dear Miriam,

I refer to correspondence from EirGrid to the CRU on 03 February 2026 seeking approval of Grid Code modification MPID 341, as recommended at the Grid Code Review Panel meeting on 25 September 2025.

The CRU is satisfied that EirGrid has recommended this modification for approval by the CRU in accordance with the relevant provisions set out in the Grid Code for the handling of revisions and that the views of stakeholders have been adequately considered and addressed.

Having considered the recommendation, the CRU approves the proposed modification. The CRU is satisfied that the recommendation is reasonable and will not adversely affect any Grid Code User.

The CRU now directs EirGrid to revise the Grid Code to take account of the approved modification. The Grid Code shall be deemed to be amended accordingly from the date of receipt of this letter.

Yours sincerely,
