Commercial & Pricing Department

# Temporary Connections

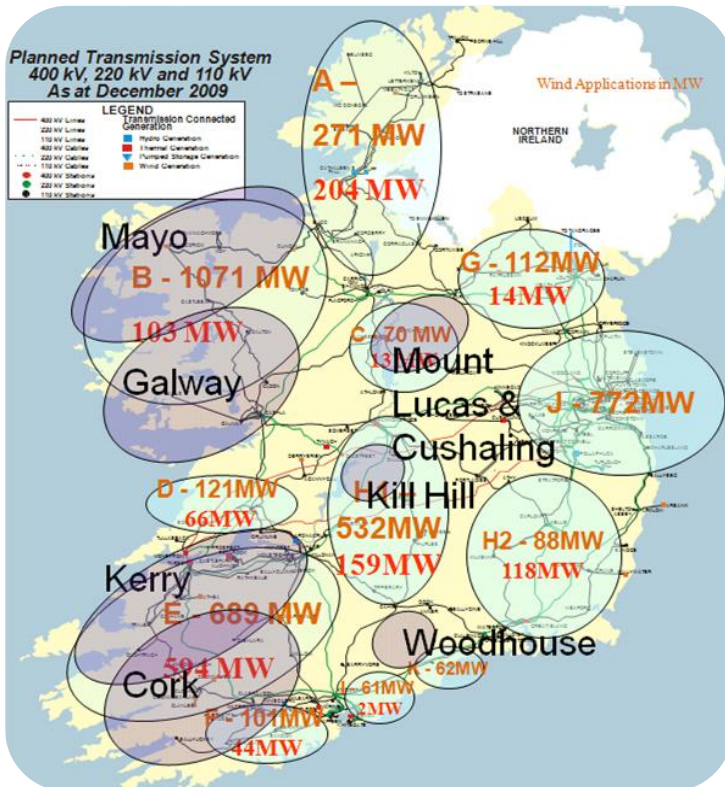

- Permitted for Gate 3 as per COPP CER Decision paper
  - COPP - Joint policy paper by DSO/TSO
- Open to all parties who received an offer under Gate 3 or parties who have received an offer outside the Group Process
- Limited amount of supply of access for potentially high demand
- Calculation methodology as per the CER decision on COPP

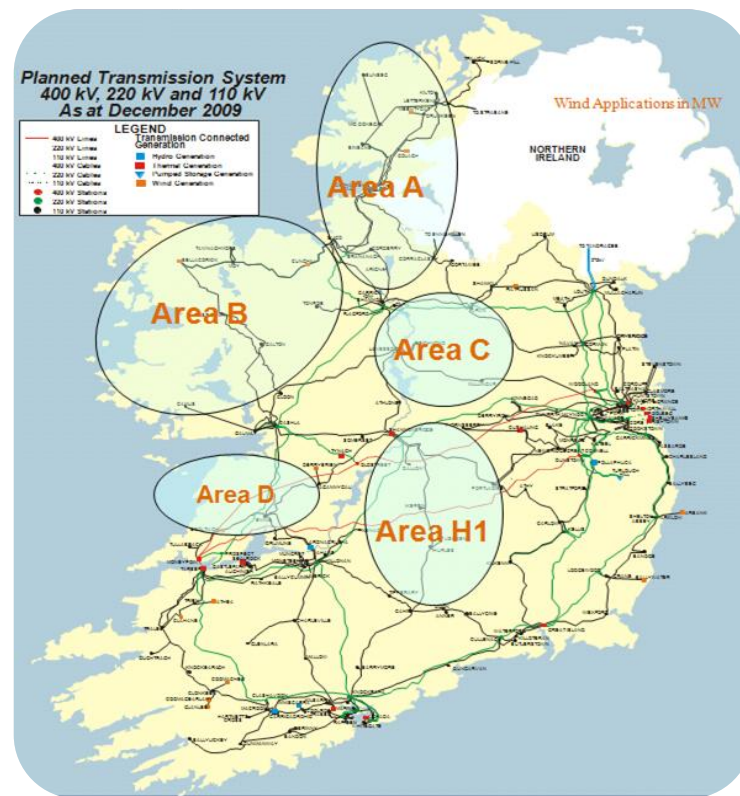

# Gate 3 Supply V Possible Demand

## Gate 3 Access

## Possible Temporary Access

# Application Process...

- Some windows will open in early January 2012
  - SO's will be writing to parties to confirm start of window
- Eligibility Ruleset as per COPP will apply:
  - Valid planning (final grant of permission)
  - Executed connection offer
  - Reduced criteria application form
  - Modification fee
- First come, first served basis
- Temporary offers will be processed as a standard 'modification'
