

# Umbrella Application Form

The Celtic Interconnector Benefit Fund features an 'Umbrella Project' Category. This is to make it easier for a community to request funds for multiple small local initiatives through one application. It can also be used to enable communities to come together to apply for funding for small low-cost initiatives that may be repeated in each of their communities.

Please use this form if submitting an application as part of an Umbrella Project. To qualify, the funding request will need to be for less than €5,000. Once completed please share this form with the lead organisation in your area along with quotations to support your costings and a copy of your group's constitution (template available [here\\*](#) if required). The lead organisation will then make the Umbrella Project submission.

If you require contact details for the lead organisation in your area, please contact  
SECAD Partnership [info@secad.ie](mailto:info@secad.ie), 021 4613432.

If at any stage you require help or assistance, please contact SECAD Partnership,  
[info@secad.ie](mailto:info@secad.ie), 021 4613432.
